INTERNATIONAL SEARCH REPORT

(PCT Article 18 and Rules 43 and 44)

Applicant's or agent's file reference VM7012096005	FOR FURTHER See Form PC1/ISA/220 ACTION as well as, where applicable, item 5 below.				
international application No.	International filing date (day/manth/year) 27 September 2005 (27.09.2005)	(Earliest) Priority Date (day/month/year) 30 September 2004 (30.09.2004)			
PCT/US05/34999	27 September 2003 (27.09.2003)				
Applicant VARIAN MEDICAL SYSTEMS TECHNOLOGIES, INC.					
YALKU SILD V					
This international search report has been prepared by this International Searching Authority and is transmitted to the applicant according to Article 18. A copy is being transmitted to the International Bureau. This international search report consists of a total of sheets.					
It is also accompanied by a copy of each prior art document cited in this report.					
Basis of the Report With regard to the language, the international search was carried out on the basis of:					
the international application in the language in which it was filed.					
a translation of the international application into, which is the language of a translation furnished for the purposes of international search (Rules 12.3(a) and 23.1(b))					
b. With regard to any nucleotide and/or amino acid sequence disclosed in the international application, see Box No. I.					
2. Certain claims were found unscarchable (See Box No. II)					
3. Unity of invention is lacking (See Box No. III)					
4. With regard to the title,					
the text is approved as submitted by the applicant.					
the text has been established by this Authority to read as follows:					
5. With regard to the abstract,	A. A. British				
the text is approved as subm		and is a second for the 12/ The opplicant			
the text has been established may, within one month from	d, according to Rule 38.2(b), by this Authoring to the date of mailing of this international search	y as it appears in Box No. 19. The approximation of report, submit comments to this Authority.			
6. With regard to the drawings, a. the figure of the drawings to be published with the abstract is Figure No. 1					
as suggested by the applicant					
as selected by this Authority, because the applicant failed to suggest a figure.					
as selected by this Authority, because this figure better characterizes the invention.					
b. none of the figures is to be published with the abstract.
